Astutely incisive EURASIAN ACTOR tch is keen to play MEDICAL, SOCIAL WORK, LAW ENFORCEMENT, but deftly handles the spectrum of humanity portraying PERPS, The DISENFRANCHISED and BROKEN with equal aplomb. Compelling with soul, depth and strength, an audience can love and hate at the same time. Un-leashed, her black humour just invented a new hue. Comedic timing and with the authenticity of a trained thespian ~ tch keeps it real. US PASSPORT & DRIVER'S LICENSE: Current
